

YOUR MORTGAGE JOURNEY, MADE SIMPLE

Get your mortgage advisor up to speed — **before you even meet.**

Mortgage Hub guides you through the questions a mortgage advisor needs — your way, at your own pace. Talk to Susan, our friendly AI voice assistant, type your answers in a quiet chat, or jump straight to booking a call. We hand your advisor a clean summary, so your first conversation is faster and easier.

Meet Susan

Your AI guide — she speaks each question aloud, or chats by text.

— Three ways to get started

Spoken interview

Talk it through with Susan, our avatar-led voice assistant. She speaks each question aloud and listens to your replies.

Text & chat assistant

Prefer to type? Answer the same questions in a quiet, typed chat — no microphone needed, pick up any time.

Book an appointment

Short on time? Skip ahead and pick a slot to speak with a mortgage advisor — booking confirmed by text.

— How it works

1

Start your guided interview

Sign in and answer simple questions about you, your job and the property — spoken or typed.

2

Get your fact-find summary

We automatically generate a clean summary and text you a link the moment you finish.

3

Book & meet your advisor

Choose a time that suits you. Your advisor arrives already up to speed on your situation.

— Why customers love it

Automatic fact-find summary

An AI-written summary goes straight to your advisor — no repeating yourself.

SMS confirmations

Get a text when your interview is complete and when your appointment is booked.

Flexible, secure sign-in

Sign in with email & password, Google, or a one-time SMS code — your choice.

Free to start & private

Begin in minutes. Your details stay private until you're ready to share them.

Refer a friend

Love your experience? Share your personal Refer-a-Friend link. Your friend gets the same friendly, guided start — and you're credited every time someone you invite joins.
