

WHY JOIN US

Warmer first meetings. **Less admin.** A modern toolkit built for mortgage advisors.

Mortgage Hub prepares customers before you meet them, routes introducer referrals fairly, and gives you a single place to manage contact, fact-finds, notes and journey milestones — so you spend time advising, not chasing information.

AI fact-finds before you call

Introducer leads tracked

Full customer workspace

What your customers experience

**Voice interview with Susan**

Avatar-led spoken fact-find — natural, friendly and thorough.

**Typed chat option**

Quiet alternative for customers who prefer not to speak aloud.

**Instant booking**

Self-serve diary with SMS confirmation and call-back slots.

**SMS through the journey**

Completion texts, appointment confirmations and pick-up links.

What introducers bring you

Qualified referrals arrive with source attribution, journey tracking and optional portal booking — already guided through Mortgage Hub.

**Attributed referrals**

Every introducer link and portal booking credits the referrer.

**Company introducer teams**

Shared company codes for multi-adviser introducer firms.

Your advisor toolkit

**Tabbed customer profile**

Contact, Notes & history, Fact find and Customer journey in one place.

**Pre-meeting summaries**

AI-written fact-find summaries and structured answers before the first call.

**Appointments & call-backs**

See booked slots, call-back windows and log contact attempts.

**Needs-attention highlights**

Call-backs and ready-to-review customers surface on your home screen.

**Journey milestones**

Track appointment seen, ID confirmed and AIP completed — with customer SMS on confirm.

**Full audit history**

Fact-find events, SMS, appointments, callbacks, notes and milestones in one timeline.

Why advisors join Mortgage Hub

**Better-prepared customers**

First conversations start with context, not basic fact-finding.

**Less chasing, more advising**

Contact tracking, next-contact dates and call-back management built in.

**Fair allocation**

Advisor codes and admin allocation — up to three advisors per case.

**Refer-a-friend programme**

Customers can refer friends; admin tracks bonuses and uptake.
