

YOUR MORTGAGE JOURNEY, MADE SIMPLE

Get your mortgage advisor up to speed — before you even meet.

Mortgage Hub guides customers through the questions a mortgage advisor needs — their way, at their own pace. Talk to Susan, type answers in a quiet chat, or book a call. After booking, choose to complete the fact-find or simply confirm attendance.

Meet Susan

AI voice & chat guide for every customer.

Three ways to get started

Spoken fact-find

Susan, our avatar-led voice assistant, guides customers question by question.

Type fact-find

Same guided journey in a quiet typed chat — pause and resume any time.

Book or confirm

Pick an advisor slot — then complete the fact-find, or confirm attendance only.

How it works

1

Sign in & choose

Spoken interview, typed chat, or book an appointment straight away.

2

Confirm by text & email

Booking confirmations arrive by SMS and email with clear next steps.

3

Meet prepared

Advisor receives an AI summary — the first meeting starts with context.

Why customers love it

Automatic fact-find summary

An AI-written summary goes straight to the advisor — no repeating yourself.

SMS & email confirmations

Text and email when the interview completes and when appointments are booked.

Flexible post-booking options

After booking: complete spoken or typed fact-find, or confirm attendance only.

Your customer hub

View cases, update contact details and address, and track your journey.

Flexible, secure sign-in

Email & password, Google, or a one-time SMS code.

Free to start & private

Begin in minutes. Details stay private until they're ready to share.

Refer a friend

Customers can share a personal Refer-a-Friend link. Friends get the same friendly guided start — and referrers are credited every time someone they invite joins.
