

PARTNER WITH MORTGAGE HUB

Refer customers with confidence — full booking, full visibility, commission tracked.

Share your personal introducer link or book customers directly from your portal — with email and SMS confirmation. Every referral is attributed to you, commission is tracked, and you see journey stage without sensitive fact-find detail.

Commission statement

Meet Susan

AI voice & chat guide for every customer.

What your customers get

The same guided Mortgage Hub experience — voice interview with Susan, typed chat, instant booking, or confirm attendance only.

Spoken fact-find

Susan, our avatar-led voice assistant, guides customers question by question.

Type fact-find

Same guided journey in a quiet typed chat — pause and resume any time.

Book or confirm

Pick an advisor slot — then complete the fact-find, or confirm attendance only.

Your introducer portal

Shareable referral link

A unique link credits every self-serve customer to you automatically.

Book customers directly

Enter name, email & phone — pick an advisor slot and send SMS + email link.

SMS booking links

Text a customer a personalised link to pick a time or continue their journey.

Email required on booking

Professional confirmation emails alongside SMS for every portal booking.

Referral dashboard

Name, journey stage, lead source, advisor, days at stage & last contact.

My commission

View introducer commission, payout dates and history in your portal.

Company code

4-digit code lets colleagues join the same introducer company.

Manual lead logging

Capture name, phone and notes when you speak to someone directly.

Privacy-conscious reporting

Journey stage and contact dates — not full fact-find answers.

How it works for you

1

Get your portal

We set you up with a company profile, shareable link and optional company code.

2

Share or book

Send your link, book in-portal with email + SMS, or text a booking invite.

3

Track & earn

Watch referrals progress and view commission credited when cases complete.
